Memorial Day
Don't forget
to remember
Some Gone, None Forgotten

MARTHA'S MUSINGS . . .

The joy and newness of the Easter season unfolds for us as the trees leaf out and the peonies come to bud. We find the shells of Robin's eggs in the lawn, we look for our beloved Orioles to come, and we ponder the turkey vultures every evening as they circle down to their roosts. Spring unfolds and brings a new freshness. Likewise Easter brings us new hope, new joy, and new possibilities for living the resurrection life. Poet Wendell Berry penned the line, "*Practice Resurrection.*"

How do we *practice resurrection*? For Berry *practicing resurrection* involves loving the world, people, animals and caring for them. Berry recommends that every day we "do something that won't compute" in the scheme of living to make money – but that will compute in the scheme of loving and caring for the world.

One way we are *practicing resurrection* at Sunrise this Easter is through the New Beginnings program. On Ash Wednesday, at the beginning of Lent, over sixty of us gathered at Sunrise to imagine how we might *practice resurrection* in Salina. We began by telling our story of mission and passion. We talked about important moments when God touched our lives. We remembered events that moved us and actions we found empowering. Our words that evening were recorded and together with information from our assessor formed into a report which can offer us a reflection of ourselves.

We'll take a look at that reflection, together, in Cottage Gatherings held in May and June. Your Session members will be hosting meetings at 6 different locations and times. These gatherings will meet approximately once a week for six weeks. Some groups may skip a week or two – but all groups will finish meeting by the end of June. It is important that group members attend all the meetings and participate fully.

One of the central questions that will be asked in the gatherings is "What is our passion at Sunrise?" What is it that we are passionate about? What is it do we do really well, love doing well and others need us to do? These gatherings are really conversations about our passion, our mission and our community.

What an exciting way to *practice resurrection*! We are invited to share in a joint conversation over six weeks. We have the opportunity to come to better know one another and to share our faith at a deeper level. The gatherings offer us time for positive visioning and brainstorming.

It's Easter. It's time to *practice resurrection*. Let's all sign up for a Cottage Gathering and look forward to the conversation!

Love,
Martha

OUT OF CHAOS, HOPE

Presbyterian Disaster Assistance responds to earthquake disaster in Nepal

The death toll from the massive earthquake in Nepal continues to rise. Nearly 4,000 are known dead and more than 6,000 were injured when the 7.8 quake struck just west of the capital of Kathmandu on April 25. The quake, the worst in more than 80 years, along with many serious aftershocks has also caused damage in parts of India and Bangladesh.

Presbyterian Disaster Assistance (PDA) is providing emergency relief and short-term recovery in the impacted areas with our partner, ACT Alliance and its members who are already on the ground. Immediate response will help provide needed food, water, supplies and medicine to the impacted towns and villages. As long term recovery plans are developed, PDA will accompany and further financially support our partners in the area to insure that a comprehensive recovery is sustained.

The needs for the response will be great. God's people are once again called on to stand in the "GAP" – Give. Act. Pray.

Give: Financial support for relief efforts can be designated to DR999999 with reference to Nepal. Gifts can be made [online](#), by phone [\(800\) 872-3283](tel:8008723283) weekdays between 8 a.m. and 6 p.m. (EST), or checks can be mailed to Presbyterian Church (U.S.A.), P.O. Box 643700, Pittsburg, PA 15264-3700.

Act: Learn how your congregation can help families who have lost everything in the devastation. Stay informed and [like](#) us on Facebook, [download resources](#) and share updates with your congregation.

Pray: Pray for those who suffered loss of family or those who are working tirelessly to provide rescue, humanitarian aid, and spiritual and psychological support.

OUR 2015 HIGH SCHOOL GRADUATES

My name is Miranda Merrill. I have been on the cheer and dance squad since freshman year and have been the captain of both junior and senior year. Along with cheer and dance I have been a member in PALS (a program where you are paired with a incoming seventh grader or transfer student to show them around and be their buddy), went to Martin Luther King day care center to help with the kids, a senior class student council representative, a member of the yearbook staff, Outside of school I've been in dance since I was three and my eighth grade year I joined the competition team and have been competing ever since.

Emily Sanders, daughter of Clarke and Lillian Sanders, has attended Sacred Heart High School for the past four years. In high school she participated in concert band, pep band, and jazz band, playing the flute, piccolo, and saxophone. She also was in scholar's bowl and ran for the school's cross country team for three years. Outside of school she participated in youth groups at Sunrise Church and St. Mary's Church, Relay for Life as a team Captain, and Big Brothers Big Sisters. She spent the rest of time working at Jimmy John's, hanging out with her friends, reading, and writing.

This fall she plans to attend Benedictine College in Atchison, Kansas. She will be starting out studying general education, with an undecided major, but plans to later decide between a major in education or physiology. She would also like to travel the world, and hopes to spend a semester in Europe in Benedictine's campus in Florence.

She has greatly enjoyed her years at Sunrise, with experiences and memories from Sunday Church, Sunday School, God's Kids, youth group, youth choir, and Bible School. She appreciates the support the Church has, and will continue, to give her.

BULLETIN FODDER

New Year Begins Any Time

One November we ordered a new automobile, which did not arrive until the new year. As we cleaned out the old car, I muttered, "How did we accumulate so much junk?" We sorted through old maps, dried-up ballpoint pens, outdated addresses and loose coins.

We made unwavering resolutions about keeping this new car clean, orderly and functioning properly. Thinking about resolutions, I sensed a connection between a new car and a new year. The first order of business is to clear out the clutter, discard the useless, remove the dust and dirt. Begin fresh!

A new year can begin anytime in our lives. We can sort through old attitudes, clean our minds of envy, toss out the habits of gossip and carrying grudges. We can resolve to keep our promises and curb our anger.

I stood back and surveyed the fresh, shiny car. Yes, a new year could begin anytime or any place. A lot of things from the past need discarding. Things we collect that are of no more value or usefulness need to be trashed. Paul wrote, "But now ye also put off all these; anger, wrath, malice, blasphemy, filthy communication out of your mouth. Lie not one to another, seeing that ye have put off the old man with his deeds" (Col. 3: 8-9).

It is amazing how a brand new car changes your life. None of the old squeaks, rattles and knocks. Cruising down the road in a brand new auto is a delight. So is the journey ahead, if we can truly forget things in the past and press on to greater things.

ADDIE'S CORNER ADDITION

Jackie Thompson has donated to Addie's Corner the children's book
"Earth and All Stars"

Author: Herbert F. Brokering

Illustrator: Preston McDaniels

Audience: 3 and up

Summary: Using the hymn text written by Herbert F. Brokering in 1964, illustrator Preston McDaniels creates a little boy who takes us on an amazing and magical journey of God's creation found in the heart of an urban community. As the boy, clad in red pajamas and an oversized top hat, travels through buildings (a train terminal, science lab, etc) and nature, he declares a constant refrain, "Sing to the Lord a new song!" Literary elements at work in the story: Written for the ninetieth anniversary of St. Olaf College, this text was written to inspire imagination and wonder at the many ways God is at work in our modern life. Broadway signs, Central Park, and the Empire State building highlight the illustrations as the little boy floats through the sky in singing praise for God's marvelous works both physical and spiritual.

Come check out this new addition to Addie's Corner!
